

# DreamLAUNCH™ Installation Instructions

Instructions for Windows Vista and 7

## 1. Download DreamLAUNCH™ setup files

- a. Click on “Download DreamLAUNCH” at [www.321LAUNCH.ca/dreamlaunch.php](http://www.321LAUNCH.ca/dreamlaunch.php). Then click on the Download Now button. A window should pop up giving you an option to open or save the file. Click on “Save” (see Image 1.1)

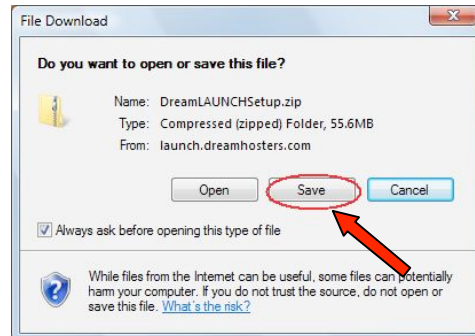

Image 1.1 – Download zip file from the LAUNCH website and save.

- b. Select the folder in which you want to save the DreamLAUNCH™ set up files.

To do this, click on Browse Folders at the bottom left corner and search for the DreamLAUNCHSetup folder in the C: drive (see Image 1.2). Click “Save”.

*Note: This may take a few minutes, depending on the speed of your computer.*

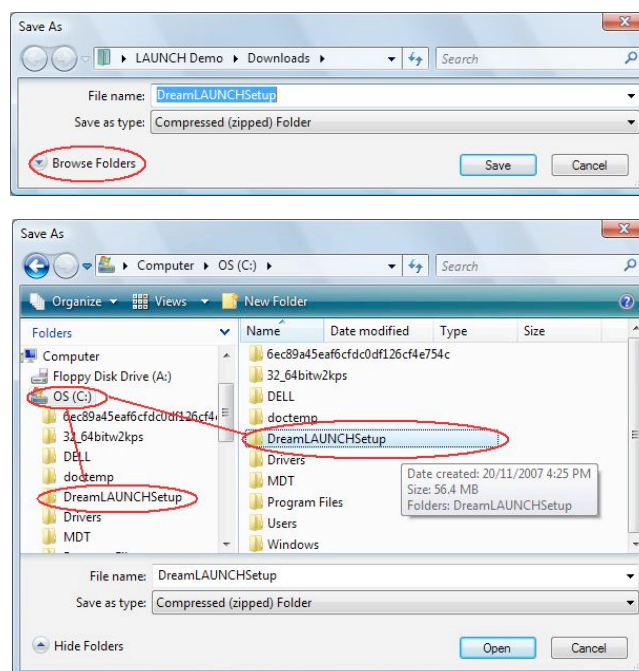

Image 1.2 – Save file into the proper location on the C: drive.

- c. Once downloading is complete, a window should appear, giving you an option to open the file that was just downloaded. Click on “Open”. A window should appear with your DreamLAUNCH Setup files. Extract the contents by click on “Extract All” at the top bar (see Image 1.3).

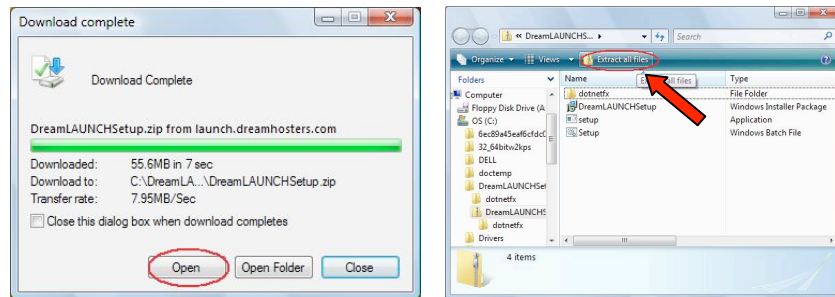

Image 1.3 - Unzip the setup file by extracting all files.

- d. You will be prompted to select a destination for your extracted files. Make sure the file destination folder is in a folder called DreamLAUNCHSetup in the C:\ drive (it should look like this – C:\DreamLAUNCHSetup). If it is not, click on browse and search for it, or type it in the space provided. The box to “show extracted files when complete” should be checked (see image 1.4).

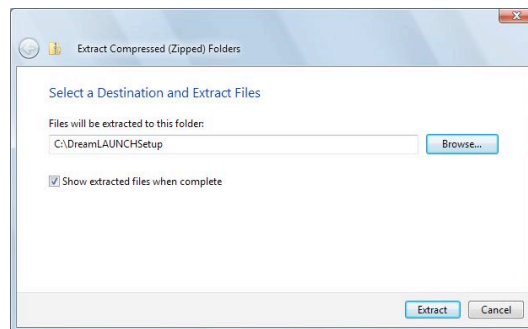

Image 1.4 – Ensure the destination folder for your files is in C:\DreamLAUNCHSetup

- e. Once this has been completed, a window with your needed files for installation should appear.

Double click on the setup *application* file (hint: under the column “Type” should indicate which setup file is an application).

If prompted to cancel or continue, always select “continue” or “allow”.

You are now ready to install *DreamLAUNCH™*!

## 2. Installing *DreamLAUNCH™*

a. You should now see a *DreamLAUNCH™* splash screen with the option to cancel or continue (see image 2.1). To continue, click on “Next”.

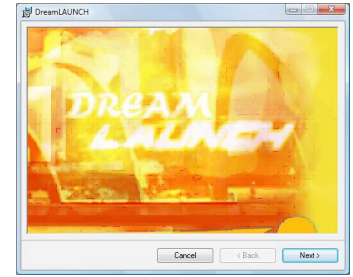

Image 2.1 - *DreamLAUNCH* Splash Screen

b. The next screen is a welcome screen for the installer. Click the “Next” button to continue.

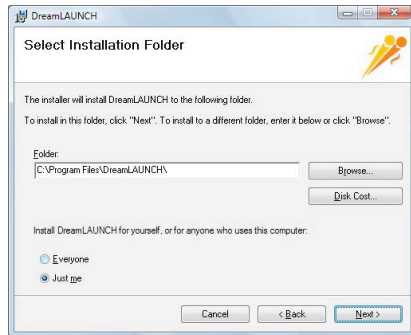

Image 2.2 - Select location for *DreamLAUNCH*.

c. Follow the on-screen instructions. (Image 2.2: Select the location where you want *DreamLAUNCH™* installed and choose whether you want to install *DreamLAUNCH™* for yourself or for anyone who uses your computer.)

Click “Next” to continue.

d. *DreamLAUNCH™* is now ready to install. Click “Next” to continue and wait for the installation to complete.

*\*Important Note: When installation completes, the window that should appear for the next step may be minimized. Check in your dock at the bottom of your screen for a window named “Product Key” (see image 2.3) and go to the next step.*

Image 2.3 – The product key window may be minimized once installation completes. You should find it at the bottom of your screen.

e. You will be asked to enter a 26 digit product key. Once a correct key is entered, the red X will turn into a green check mark and you will be permitted to continue. If you have not received a product key, please contact [LAUNCH@youthunlimitedgta.com](mailto:LAUNCH@youthunlimitedgta.com).

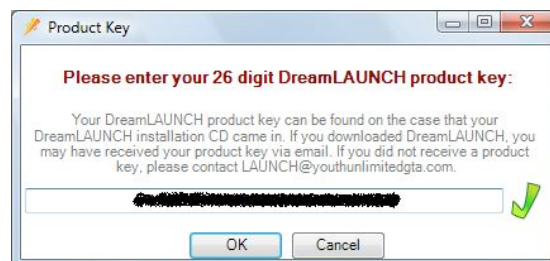

Image 2.4 - Ensure you have received the 26 digit *DreamLAUNCH* product key.

Installation is now complete! To get started, double click on the *DreamLAUNCH* icon on your desktop. Have fun!

#### **4. Checking for updates**

We recommend using Microsoft Update to ensure that you are using the most recent version of .NET Framework 2.0. If you do not use Microsoft Update and run into problems using DreamLAUNCH, please visit <http://update.microsoft.com/microsoftupdate> to see if a security update has been released, or visit the Microsoft website at [www.microsoft.com](http://www.microsoft.com).

Check for important updates to the *DreamLAUNCH*<sup>™</sup> software on the LAUNCH website at [www.321LAUNCH.ca](http://www.321LAUNCH.ca).
